**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Yoon Ham on 2/7/2007.

The application has been amended as follows:

Claim 1,

Delete -- . -- after "pattern", insert - -, wherein said mesh lining tape is made of nylon yarn interwoven to form a mesh of generally perpendicular strands arranged on a bias. - - after "pattern".

Claim 3,

Cancel.

***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance: The present invention pertains to a device that specifically requires an interwoven lining tape comprised of nylon, wherein the strands are formed on the bias. It is the examiner's

opinion that the art of record considered as a whole, alone, or in combination, neither anticipates nor renders obvious a headwear device, used in combination with a headband having a mesh lining tape that is sewn together with a plurality of stitch lines wherein the mesh lining tape is a woven nylon yarn with strands that are formed on the bias.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
